# JOIN OR START A HUJEWS ON CAMPUS

[www.hujevs.org](http://www.hujevs.org)

Celebrate Jewish holidays and identity without reference to God or the supernatural.

*Humanistic Judaism is about the human experience*

Connect to your Jewish heritage and culture, with likeminded people.

*No gatekeeping or authenticity-policing; all are welcome to fully participate*

Explore a post-ethnonationalist understanding of Judaism.

*We're continuing a millennials-old Jewish tradition—of constant reinvention*

A project of the Society for Humanistic Judaism, for Jewish and Jew-adjacent college students. Be in touch to learn more!
